RESPONCES AND CLARIFICATIONS FOR RFP017.2025 – TECHNICAL ADVISORY PANEL AUGMENTATION FOR THE IF

No	Question	Clarification
1.	The following pre-qualifying criteria states that proof of Professional Registration should be attached, kindly advise whether this proof is required for the bidder (company) or the Engineering Professionals proposed for the tender?	The engineering professionals proposed for the tender.
2.	The criteria indicates that: "Minimum of 6 x Principal Advisors (a minimum of 5 locally based principal advisors should be listed in the response)" We assume the 6th person can be an (international) expert who is internationally based? How would this work with regards to professional registration?	The 6th Principal advisors should have globally recognized professional registration e.g RICS, PMI, etc.
3.	The criteria for candidates states: "Relevant number of Candidate Advisors" (minimum 5 years' professional experience) How will these advisors be scored?	They will be scored through the years of professional experience and track record as requested for each CV.
4.	Is there a template for this? Which includes: "binding discount offered on standard hourly rates" **(Annexure A:** Blended Rates) **(Annexure F:** A breakdown of how fees and work will be spread between members of the bidding consortium)	No there's no template, bidders must provide blended rates for all the resources categorized i.e. Principal Technical advisors, Key advisors and candidate's advisors
5.	26.2 NB: Bidders are required to submit, as Annexure J to their Bids, any documentation which supports the responses provided in respect of the Eligibility Criteria below	Bidders must submit all documentation that will be used to assess functional evaluation. i.e. (project & reference letter list, CVs, proof qualification etc.)
6.	Only 6 criteria are listed are listed in the criteria for Profile of technical advisory firm.	Yes that is correct, hence on the scoring guideline you get Excellent: when you Meet all 6 requirements listed = 20 points
